Kim Sellars Appointed LLSAA Region I Vice President

February 1, 2010 – Kim Sellars has been appointed Region I Vice President of the Louisiana Life Safety and Security Association (LLSSA) and a member of the LLSSA Board of Directors. Ms. Sellars, who is Vice President-Sales for Alarm Monitoring Services, previously served as Vendor Coordinator for the LLSSA’s Annual Trade Show and Convention.

The LLSSA promotes and supports the life safety and security industries both in the state of Louisiana and nationally through its partnership with the National Burglar and Fire Alarm Association. “In this tough economic climate, our dealers in Louisiana and across the nation need all of the support and promotion they can get,” Sellars said in response to the news. “I’ll be doing my best to represent our dealers and the industry as a whole.”
