

# Alarm Monitoring Services Makes IP Monitoring Easy

Alarm Monitoring Services now monitors DMP, DSC, Napco, and Honeywell's AlarmNet-i IP Communicators.

- Your customers want options for monitoring without a phone line.
- You want to offer new services that generate additional revenue.
- IP Monitoring from AMS satisfies both, and we make it easy by monitoring the IP communicators of all the industry leaders.

Call AMS Sales VP  
Kim Sellars at 877-740-0283  
for details on building your  
revenue with IP Monitoring.
