### **Dera Jolet Reappointed to Life Safety and Property Protection Advisory Board**

February 1, 2010 – Dera Jolet, Owner and CFO of Alarm Monitoring Services, has been re-appointed by Louisiana Governor Bobby Jindal to the Life Safety and Property Protection Advisory Board. The Louisiana State Legislature created the advisory board in 2007 and empowered it to determine industry licensing and continuing education requirements.

“Our reputation is the most important asset we have as security professionals,” Jolet said. “Customers must have faith that their property and their families are safe in the hands of our licensed security dealers.” Jolet was originally appointed to the board for a two-year term ending in 2009. Her current term ends in 2011.
